Dear Sir:

Since the evidence of record shows that your degree of disability has remained at substantially the same level for a period of five years or more, the rating for your service connected disability has been changed from temporary partial 29% to permanent partial 29%, which entitles you to \$21.75 monthly compensation from June 19, 1943. Under a permanent rating no additional amount is allowed for dependents.

Form 1099 is enclosed and it is requested that it be signed by you in the same manner as shown in the space above "Instructions to Applicant" and returned without delay in a large envelope. DO NOT FOLD.

Future communications relative to this case should bear your claim number given above.

Very truly yours,

A handwritten signature in cursive script that reads "J. P. Cullen".
